Individual Accident-Only Insurance for Students

******* PARENTS ARE ULTIMATELY RESPONSIBLE *******

State Law does **not** require school districts to purchase insurance. School districts are **not** liable for accidents which occur in schools. School districts are **not** responsible for medical payments or bills for your child. If your child is injured during any school athletic, non-athletic or UIL activity, all medical charges are **your responsibility**.

Your school district may purchase a supplemental accident-only policy to cover students for athletic or non-athletic or UIL activities. However, the policy has limited benefits and charges not covered by the policy are **your responsibility**.

For the benefit of parents who do not have insurance or have limited health insurance, **Texas Kids First** offers accident-only insurance to students. These plans provide benefits for loss due to a covered injury up to \$25,000. The plans are designed to help offset deductibles and co-insurance. They are affordable limited-benefit plans that are renewable annually. There are several options for you to choose from:

- The **At-School Accident** Plan covers accidents occurring at school, during school hours. (Excludes participation in High School Varsity Football activities). At-School coverage may be purchased with or without sports.

\$30.00 per school year without sports

\$90.00 per school year with sports

- The **24-Hour Accident** Plan covers accidents anywhere, around the clock. (Excludes participation in High School Varsity Football activities). 24-Hour coverage may be purchased with or without sports.

\$ 80.00 per school year without sports

\$180.00 per school year with sports

- The **Football Accident** Plan covers only High School Varsity Football accidents that occur during practice or during a game. **The Plan has a \$250 deductible.**

\$325.00 per school year.

See back of page for Schedule of Benefits and Exclusions for all Accident-Only Plans.
